A driven student backend developer looking to gain valuable experience in a professional setting. I am proficient in Javascript, Python, and SQL and knowledgeable in building database systems and developing RESTful APIs. I am eager to contribute to innovative projects and learn from experienced professionals.

SKILLS

Backend: Java, Python, MySQL, PostgreSQL

Frontend: JavaScript, React, CSS, Node.js, Tailwind

Frameworks/Libraries: Vite, Django, Express

Developer Tools: Git, GitHub, Figma, Docker, PgAdmin

EDUCATION

June 2025

Bachelor of Science in Computer Science

Ateneo de Davao University
President's and Dean's Lister

EXPERIENCE

SAMAHAN Systems Development

Jun 2023 - Present

Backend Developer

Participated in the development of an automated crowd monitoring system project, focusing on backend system enhancements within SAMAHAN Systems Development. Collaborated with a team to ensure the seamless functionality of web applications and databases, contributing to the project's success in enhancing organizational efficiency.

ACTIVITIES

WiTech

Aug 2022 - Present

Secretariat Member

Served as a dedicated member of WiTech's secretariat, actively participating in organizing events and initiatives aimed at promoting diversity and inclusion in the tech industry. Assisted in coordinating logistics, managing communications, and supporting the organization's mission to empower women in technology.

Computer Studies Executive Council

Jun 2021 - Present

Secretariat and Sponsorships Member

Played a key role in the Computer Studies Executive Council, facilitating the planning and execution of various activities and projects to enrich the academic experience of fellow students. Contributed to fostering a vibrant community within the department and promoting engagement in extracurricular opportunities.

Mockathon

Jan 2024

1st Place

Contributed to the winning team with 'Guardian,' a disaster preparedness app proposal for Davao City. Collaborated on strategy, showcasing problem-solving and innovation, securing first place among competing teams in the IT Week 2024: Alt Tab held at Ateneo de Davao University.
